This our 15th festival is supporting the Progressive Supranuclear Palsy Association, charity number 1037087. Camping is at the Recreation Ground field which includes shower and toilet facilities and is disabled friendly. There is a 24 hour loo. Regret no hook-ups. The hall has kitchen facilities. If you are camping, please book early. Well behaved dogs are welcome. Full directions are in the website. Sorry for the price adjustments that are due to increased costs. Our independent Real Ale bar will be open at the hall on Friday pm, Saturday lunchtime and pm, and Sunday lunchtime.

The concert guests are Rob The Rich, Graham Collins, a talented singer and guitarist from Worcestershire, Daisybell, three harmonious young ladies from Nuneaton, the ever popular Pete Collins, a marvellous singer of songs from Kent, Alice and David Wylde, with their wonderful authentic sounds and songs from Alice's home in West Virginia, and the Acorn Shanty Crew bringing mainly local shanties to end the concert. Other events include Wild Thyme Border Morris, Musicians session, Open Air (indoor if wet) Ceilidh, Folk Club with tea and cakes, Stories and Ballads session, and a Ukulele Workshop, (so bring your uke). Full program is on the website.

The Butchers Arms offers good food, and B & B, Phone 01643 821333. The nearest shopping area is Minehead, a short direct bus ride away, but the local shop in Carhampton has most necessities available and should be open daytime.

The festival and camping is in the middle of Carhampton. Please keep the informal noise, however good it is, down after midnight. Looking forward to meeting up (again).

Mike & Di.
