Our festival this year is supporting the British Heart Foundation, charity number 1037087. Camping is at the Recreation Ground field which includes shower and toilet facilities and is disabled friendly. There is a 24 hour loo. Regret no hook-ups. The hall has kitchen facilities. If you are camping, please book early. Well behaved dogs are welcome. Full directions are in the website. Our independent Real Ale bar will be open at the hall on Friday pm, Saturday lunchtime and pm, and Sunday lunchtime.

The concert guests are Martyn Babb, a popular singer from Devon, Gerry Mogg, a multi-talented folk musician and singer from Bishops Lydeard, Mike Scott, well known in the Bristol area for his songs of humour and social comment. Kevin Adams, also a Bristolian with a beguiling voice and guitar style, Hummingbird from North Devon, a very talented duo bringing an eclectic range of material for our entertainment, and Su Stevens, an excellent and well known singer/guitarist from the midlands. Other events include Wild Thyme Border Morris, Musicians session, Ceilidh, Folk Club with tea and cakes, Stories and Ballads session, and a Ukulele Workshop, (so bring your uke). Full program is on the website.

The Butchers Arms offers good food, and B & B, Phone 01643 821333. (www.butchersarms.co.uk) Regretfully, Townsend Farm B/B is now closed. The nearest shopping area is Minehead, a short direct bus ride away, but the local shop in Carhampton has most necessities available and is open daytime

The festival and camping is in the middle of Carhampton. Please keep the informal noise, however good it is, down after midnight. Looking forward to meeting up (again). Mike & Di.
