CONTACT, Phone Mike or Di. 01643 841597,
E MAIL enquiries@westsomersetfolkfestival.co.uk
WEB (www.westsomersetfolkfestival.co.uk)

The festival and camping is at the Recreation Ground field which includes shower and toilet facilities and is disabled friendly. There is a 24-hour loo. Regret no hook-ups. The hall has kitchen facilities. If you are camping, please book early. Well behaved dogs are welcome. Full directions are in the website. Our independent Real Ale bar will be open at the hall on Friday pm, Saturday lunchtime and pm, and Sunday lunchtime.

Our concert guests are Cris Bartlett (with Liz), WK Jazz, 12 Volt Joe, Peaky Blinders, Discovery, Daisybell, and Nicola Clark. Other events include Wild Thyme Border Morris, Musicians session, Folk Club with tea and cakes, Stories and Ballads session. We have reduced the intensity of the program to allow more time to relax and socialize. Full program and more information about the concert guests are on the website. We will offer our usual recycling facilities, but this year we ask that you take your non recyclable rubbish away to dispose of it.

The Butchers Arms offers good food, and B & B, Phone 01643 821333. (www.butchersarms.co.uk), unfortunately there are no other B & B facilities at Carhampton. The nearest shopping area is Minehead, a short direct bus ride away, but the local shop in Carhampton has most necessities available and is open daytime.

The festival and camping is in the middle of Carhampton. Please keep the informal noise, however good it is, down after midnight.

Looking forward to meeting up (again). Mike & Di.
