Welcome to this our 22nd festival that donates funds to local charities. The Festival and Camping is at the Recreation Ground field which includes shower and toilet facilities and is disabled friendly. There is a 24-hour loo. Regret no hook-ups. The hall has kitchen facilities. If you are camping, please book early. Well behaved dogs are welcome. Full directions are on the website. Our independent Real Ale bar will be open at the hall on Friday pm, Saturday lunchtime and pm, and Sunday lunchtime.

The concert guests are: **Andy Popplestone, Discovery, Rosie Upton, Crazy Goat, Sian and Rob Colquhoun, Liege and Lief** and in addition an audience participation with **Sue Harris and Hillary Ward**

Other events include, Musician's session, workshops, Folk Club, Concert, afternoon sing with tea and cakes, Stories and Ballads session. Full program and more information about the guests are on the website. We will offer our usual recycling facilities, but this year we ask that you take your non-recyclable rubbish away to dispose of it.

Unfortunately there are no other B&B facilities at Carhampton except for the The Butchers Arms which has limited accommodation ,but will be doing breakfast and other meals. The nearest shopping area is Minehead, a short direct bus ride away. The festival and camping are in the middle of Carhampton at the Recreation ground. Please keep the informal noise, however good it is, down after midnight.

The festival team.

This year we are supporting again the **Home Start**
